Elsevier

Contents Volume 14

14/1

Research Papers

L. Brodsky, M. Reidy and J.F. Stanievich (U.S.A.)
The effects of suctioning techniques on the distal tracheal mucosa in intubated low birth weight infants (POR 00448) 1

D. Hong, Y.-F. Chu, K.-M. Tong and C.-J. Hsiao (Taiwan)
Button batteries as foreign bodies in the nasal cavities (POR 00455) 15

A. Shumway-Cook, F. Horak and F.O. Black (U.S.A.)
A critical examination of vestibular function in motor-impaired learning-disabled children (POR 00458) 21

G.H. Zalzal (U.S.A.)
Acute mastoiditis complicated by sigmoid sinus thrombosis in congenital aural atresia (POR 00461) 31

K.H. Calhoun, W.D. Clark and J.D. Jones (U.S.A.)
Parotid lipoblastoma in an infant (POR 00462) 41

R.J. Shprintzen, A.E. Sher and C.B. Croft (U.S.A., U.K.)
Hypernasal speech caused by tonsillar hypertrophy (POR 00463) 45

K. MacKenzie-Stepner, M.A. Witzel, D.A. Stringer and R. Laskin (Canada)
Velopharyngeal insufficiency due to hypertrophic tonsils. A report of two cases (POR 00464) 57

L.M. Borland and J.S. Reilly (U.S.A.)
Jet ventilation for laser laryngeal surgery in children. Modification of the Saunders jet ventilation technique (POR 00465) 65

M.J. LaRouere and C.F. Koopmann, Jr. (U.S.A.)
Non-organic stridor in children (POR 00466) 73

Short Communication

M.S. Sørensen (Denmark)
Fibrodysplasia ossificans progressiva and hearing loss (POR 00451) 79

List of Societies 83

Calendar of Forthcoming events 85

14/2–3

Research Papers

C.S. Derkay, M.A. Kenna and D. Pang (U.S.A.)
Refractory torticollis: an uncommon complication of adenotonsillectomy (POR 00460) 87

Y.-X. Liu and F. Xue (People's Republic of China)
Congenital esophageal stenosis due to tracheobronchial cartilage (POR 00467) 95

R.F. Wetmore, D.F. Konkle, W.P. Potsic and S.D. Handler (U.S.A.)
Cholesteatoma in the pediatric patient (POR 00468) 101

L. Markowitz-Spence, L. Brodsky, G. Seidell and J.F. Stanievich (U.S.A.)
Self-induced pneumoparotitis in an adolescent. Report of a case and review of the literature (POR 00469) 113

T. Palva and T. Lehtinen (Finland)
Pneumococcal antigens and endotoxin in effusions from patients with secretory otitis media (POR 00470) 123

0165-5876/87/$03.50 © 1987 Elsevier Science Publishers B.V. (Biomedical Division)

D.G. Sexton and R.W. Babin (U.S.A.)
Peritonsillar abscess: a comparison of a conservative and a more aggressive management protocol (POR 00471) 129
M.E. Brock, R.J.H. Smith, S.E. Parey and D.L. Mobley (U.S.A.)
Lymphangioma. An otolaryngologic perspective (POR 00472) 133
P.H. Karma, J.S. Pukander, M.M. Sipilä, T.H. Vesikari and P.W. Grönroos (Finland)
Middle ear fluid bacteriology of acute otitis media in neonates and very young infants (POR 00473) 141
D.M. Toriumi, D.R. Miller and L.D. Holinger (U.S.A.)
Acquired subglottic cysts in premature infants (POR 00474) 151
I. Fukuda, H. Ogasawara, T. Kumoi, K. Sugihara and H. Wada (Japan)
Subglottic neurofibroma in a child (POR 00475) 161
N.B. Solomons (R.S.A.)
Hazard of the tracheal T-tube: a method of removal (POR 00476) 171
C.W. Senders and P.H. Eisele (U.S.A.)
The anterior cricoid split explored via the canine model, preliminary studies (POR 00477) 175
A.F. Cohen, S. Mitsudo and R.J. Ruben (U.S.A.)
Nasopharyngeal teratoma in the neonate (POR 00479) 187
K.M. Grundfast, C.S. Barber and S.P. Kubicki (U.S.A.)
Congenital aberrantly located cutaneous Stensen's duct orifice—a newly described anomaly (POR 00480) 197
B. Cone-Wesson, D. Kurtzberg and H.G. Vaughan Jr. (U.S.A.)
Electrophysiologic assessment of auditory pathways in high risk infants (POR 00481) 203
J.W. Lucarini, R.M. Liberfarb and R.D. Eavey (U.S.A.)
Otolaryngological manifestations of the Stickler syndrome (POR 00482) 215
J. Friedberg and V. Forte (Canada)
Acquired bronchial injury in neonates (POR 00483) 223
J.W. Ochi, A.B. Seid and S.M. Pransky (U.S.A.)
An approach to the failed cricoid split operation (POR 00485) 229

Case Report
E. De Campora, A. Croce, G. Bicciolo and M. Radici (Italy)
Adenoid-cystic carcinoma (cylindroma) of the pyriform sinus in pediatric age (POR 00486) 235

Technical Note
C.M. Myer, III and R.N. Hubbell (U.S.A.)
The use of a portable capnometer as a tracheostomy monitor in an animal model (POR 00478) 243

List of Societies 247
